

How to Register for Leagues and Tournaments

Step 1: Login to your account at [Tourney Machine](#). If you do not have an account you must register here at [Tourney Machine Register](#).

The main heading is 'SIGN IN' with the subtext 'Manage your teams across tournaments.' Below this is a white form box containing a gear icon, a 'Username' input field, a 'Password' input field, a link for 'Forgot your Username or Password?', a blue 'Sign In' button, and a link for 'Don't have an account? Sign up »'.

Step 2: Once you are logged in or registered, you must add a team

The screenshot shows the 'Team List' page for a user named 'San Diego Sol' in the '2015-16 MASTER SEASON'. The page features a search bar with the text 'Search for team' and a magnifying glass icon. Below the search bar is a table with columns for 'Team', 'Group', 'Tournaments', 'Wins', 'Losses', and 'Roster Count'. The table content is empty, with a message below it stating 'You currently have no teams in this season.' A red arrow points from the top right towards a blue button labeled '+ Add Team'.

Step 3: Once you add your team and save, you will see this page below. Click on rosters and then manage rosters to enter the numbers, names, and birth date. Click save all (if you do not have all your roster information you can complete this step at another time).

Step 4: If you want to add multiple teams, go to the teams tab in the header and click add team. You will repeat the process like step 3. Here you can see all of the teams you have added. You can click each team to enter your rosters.

Step 5: Once your rosters and teams are completed you are ready to register for a league or tournament. Simply press the green “Register for Tournaments” button. This page will have a list of leagues and tournaments.

The screenshot shows the top navigation bar of the Tourney Team website. A red arrow points from the 'Register for Tournaments' button in the top right corner to the 'Register for Tournaments' button in the main content area. The main content area is titled 'Tournament List' and contains a list of tournaments for January, June, and July 2016. Each tournament entry includes the name, dates, location, and a 'Register Now' button.
